

Dear Patient,

Welcome to Advanced Retina Institute. We thank you for choosing our practice for your retina care needs.

Your time is very valuable to us, and we understand our visits may be long, 2 plus hours is possible. We make every effort to complete necessary tests and/or procedures you may require for your condition to reduce the need for additional visits.

Your eyes will be fully dilated to ensure a thorough retina exam and may be dilated for 24-36 hours afterward. For safety, we recommend that someone drive you home from each visit.

Please bring the following information to each visit:

- Your Driver's License.
- Your current health insurance cards.
- Your prescription glasses.
- Complete medication list.
- Sunglasses to wear after your visit.

Please review the attached Insurance / Financial Information letter.

We strive to make your visit to our office as enjoyable as possible. Please let us know if there is anything we can do to make your visit more pleasant.

Thank you.
